Action Handled Administratively:
The Committee discussed the matter of BUAD 471 being offered at variable credit and noted that it is already listed in the Catalog to be offered as 1-3 credits. No further action was required.

4. New Business:
EDUC 457/459
The Committee was notified about a concern regarding two different subject pedagogy courses in the College of Education being taught by the same instructor at the same time. After thoroughly reviewing the topic and gathering additional information, the Committee determined that the issue was a course scheduling matter and, as such, was outside the realm of its jurisdiction. No action was taken.

Adjourned: 4:25 pm
